MARKETING ASSETS

Cox Business Convention Center marketing offers publicity through our indoor monitors, CoxCenterTulsa.com's event calendar, and the possibility of social media posts, additional signage, activations inside the venue, downtown area and Tulsa International Airport.

One of our favorite things to do in Tulsa is to extend a warm welcome to upcoming large-scale events, ensuring a seamless and enjoyable experience for all guests. From the moment attendees arrive at our airport, they will be greeted with efficiency and hospitality, setting the tone for a positive visit followed by an atmosphere at CBCC that reflects the warmth of our city.
